RE: *The 2019 Transatlantic Energy Conferences*

---

We are very pleased to invite you to participate in the 5th Transatlantic Energy Conferences on June 12 through 14, 2019 in Washington, DC, Dulles, VA, and Fredericksburg, VA.

The Conferences comprise three sessions of great interest to leaders, lawyers and advisors in the energy industry. This is going to be a phenomenal opportunity to network with our European counterparts, and look at the industry we know so well through a different and fascinating lens.

Our various facility constraints limit the number who will be able to attend, so please register promptly. We look forward to gathering with you next month!
